Prepare now to share your research and insight--The Indiana Academy of Science encourages abstracts from Indiana field scientists, academic scientists, industry scientists, science educators, graduate science students, and undergraduate science students whose work could be of interest to other Indiana scientists, science educators and science students. Abstracts are approved by the Section Chair before being presented. The Section Chair (or Section Vice-Chair) is the point of contact for Academy members who would like to discuss their abstract before submitting it for review, or have other questions pertaining to their intended presentation. Academy members can access the name and contact information for Section Chairs and Section Vice-Chairs on the Academy Website at <http://www.indianaacademyofscience.org>. **Abstracts will be published on the Indiana Academy of Science Website following the 134th Annual Academy Meeting.**

General Criteria

- The research must be of sufficient scientific importance.
- **Science presenters must FIRST register for the 134th Annual Academy Meeting and pay the Annual Meeting registration fee before an abstract can be uploaded.** Academy members receive a discount Annual Meeting registration. **Please go to <https://www.indianaacademyofscience.org> to renew your membership for 2019 or register a new membership in the Indiana Academy of Science.**
- **All presentations will take place on Saturday March 30, 2019. See on-line guidelines for preparing abstracts for Oral, Poster, Workshop, and Hot Topic presentations after November 5.** <http://www.indianaacademyofscience.org>.
- A single individual may submit only one abstract as the first author (per Section). It is expected that this individual will make the presentation.

Technical Requirements

- Abstracts must be submitted on the on-line submission form found at (<http://www.indianaacademyofscience.org>) which includes title, first author's name, address, and email address, as well as co-author names, addresses, and email addresses, and brought to the Annual Academy Meeting on a flash drive, ready to upload between 7:15 a.m. and 8:00 a.m. **Abstracts submitted are limited to 300 words (not including the title or author names).**

The Indiana Academy of Science has been an important voice of Indiana science since its inception in 1885. It continues to enjoy a rich tradition of science excellence, as well as a high professional stature with membership that includes many of the state of Indiana's premier scientists and science educators, and graduate and undergraduate students
